

Chesterfields have done "the impossible" - they satisfy and yet they are not strong. They are MILD! Chesterfields do for your smoking what bacon and eggs do for your breakfast-they satisfy.

And yet Chesterfields are MILD-that's the point.

No other cigarette can give you this new enjoyment (satisfy yet mild) because no cigarette maker can copy the Chesterfield blend.

This blend is an entirely new combination of tobaccos and is undoubtedly the most important new thing in cigarette making in 20 years.

To the People of New Mexico

READ WHAT THEODORE ROOSEVELT SAYS OF THE DEMOCRATIC CAMPAIGN IN **NEW MEXICO**

Theodore Roosevelt, former president of the United States, visited New Mexico last month and made an address at Albuquerque. Citizens of New Mexico were delighted to welcome him, regardless of political beliefs.

But the Democratic candidates and their eampaign bureau could not permit even a former President of the United States to visit New Mexico without smirehing him with their libel compalgo.

In a political advertisement appearing within a day after Colonel Rossevelt appeared in Allinquerque, the Donoceatic campaigners caused to be published this advertisement auntaining among other statements, the following:

> In Phoenix on Saturday Colonel Businevelt made a special appeal for support for Judge Joseph II, Kalday, Republican emiddate for somitor from Aricona. In Albuquerque on Monday he refused to ask for support for Unified by Harman. though they appeared on the same platform

> "Colonel Rossevelt knew Judge Kilder: Colonel Rossevelt also knew Frank Hubbell and H. O. Bursons. Russian kas always been a strong Reservelt man. Appayently, Rosswalt. isn't a very sersing Bursum man-

> "Colonel Roosevelt has returned to the Republican purity but he can't stand for the kind of Republicanism represented by Frank Habball and H. O. Burson.

Now Read What Colonel Theodore Roosevelt Says About This Particular Piece of Democratic Campaign Falsehood:

> "New York, N. Y., Oct 30, 1916. W. H. Gillenwater, Chairman Republican State Committee, Santa Fe. N. M.

The statement of the Democratic committee is of course wholly malicious and misleading. In my speeches anywhere I have not spoken of the local candidates and I mentioned Judge Kibbey's name in Arizona only in connection with joint statehood. I am everywhere supporting the entire Republican ticket and at Albuquerque I explicitly said that no man who valued the honor and the safety of the United States should vote for Mr. Wilson or any of his supporters.
